∞ 6. Numerology

Life Path	33/6 — Master Teacher: high-frequency service, healing and guidance
Expression (Birth Name)	8 — The Powerhouse: authority, legacy, mastery of material & truth

Soul Urge (Birth Name)	9 — Humanitarian: deep drive to complete cycles for the collective
Personality Number	8 — The Executive: strength, command, responsibility
Spiritual Name 'Arjuna' — Expression	2 — The Peacemaker: diplomatic truth-carrier, bridge-builder

The Master 33/6 Life Path is one of the rarest and most demanding vibrations — it combines the visionary inspiration of 11, the master-builder capacity of 22, and then transcends both into unconditional service. The double-8 in expression and personality creates a powerhouse of material and structural mastery, while the Soul Urge 9 ensures the ultimate motivation is always collective completion, not personal gain.

Combined with Yellow Human (free will, wisdom, the ascending path), Ole's Mayan signature speaks to a soul mission of demonstrating conscious choice and liberating human potential.

■ 8. Enneagram (Self-Assessment Required)

The Enneagram cannot be calculated from birth data — it requires personal self-assessment. Based on Ole's known life work, public profile and the convergent themes across all other systems, the most probable Enneagram configuration is presented below as a starting hypothesis for reflection.

Type	Role	Fit with Ole's Profile
Type 8 — The Challenger	Power, truth, protection	STRONG FIT: fearless confrontation of injustice, protective of the vulnerable, direct
Type 1 — The Reformer	(Integrity), standards, justice	LIKELY WING: deep moral compass (Earth Dog), perfectionism in research, structured
Type 5 — The Investigator	Knowledge, systems, privacy	EVIDENT: years of deep solitary research into hidden systems, preference for m

Suggested primary type: 8w1 (The Protector / Righteous Challenger). Growth edge: integrating Type 2 (genuine care for individuals beyond the mission) and moving toward Type 5's detached mastery without losing warmth.
